Exterior work: A few boards will be replaced on the deck which is not enclosed, and is on the main level outside of the home with no covering. We will be doing patch repairs for the siding, shingles & plywood. We will be removing and replacing several damages truss systems. Inside work: The bedroom, family & dining room will have the drywall and insulation removed from the ceilings to better access the truss systems. We will also be replacing the laminate flooring throughout the entire home.
